Gives New Life Strengthens the Nerves.

When the blood is impure the whole
nervous system becomes poisoned. It
is impossible to throw off that terrible
depression; and there is no ambition
to work. But there is a way whereby
you may again be strong and vigorous.
Mr. Charles Richardson, of 37 Howick
Street, Launceston, Tasmania, sends us
his photograph and the following letter:

"Once my arms were covered with sores
that were worse than boils. They were deep
in the flesh and caused great suffering.
My blood was in an awful condition. At an-
other time I had a severe attack of influenza.
I could neither eat, sleep, nor work, and I
never expected to recover."

AYER'S Sarsaparilla

cured me from both of these violent attacks.
The first time it took all impurities out of my
system; and the last time it built me up and
gave me new life. Now I am strong, work
hard, and sleep well."

Ayer's Pills are a safe and sure cure for all
liver troubles. They are purely vegetable.

THE LABOR DAY PROGRAM

PARADE, ADDRESSES, CONTESTS
AND DANCING.

The Day's Exercises Fully Outlined.
Badges for Committees—Cash Prizes
for Contestants—The Grand Marshal.

Labor Day program is now arranged.
A meeting of the committee was held
at Mechanics' Hall last evening and an
official announcement on the subject
was adopted. The program will com-
prise:

Parade, 8:30 a. m.; literary exercises
at the Capitol grounds, 11 a. m.; sports
at Kapiolani Park, 2 p. m.; grand ball
in drill shed, 8 p. m.

In regard to the parade, the com-
mittee addressing the mechanics and la-
borers of the territory, says:

"Gentlemen: The Government of the
United States has set aside the first
Monday in September as Labor Day.
The mechanics and laboring men of
Honolulu have combined to observe the
day, and extend you a cordial invita-
tion to participate in the parade. All
branches of trade will be represented
in this parade and the committee would
like a delegation from each plantation
to take part. Every effort has been
made by the Labor Committee to make
the day a grand success. The business
men of Honolulu will be represented by
a number of floats, and if the work-
ingmen on any plantation wish to put
a float in the parade we will be
pleased to give it a place.

The parade will form at the drill
shed at 9 a. m. and will march through
the principal streets of Honolulu, be-
ing reviewed at the Capitol grounds."

Floats will be limited in height to 14
feet to avoid overhead wires. The gov-
ernment bar will take part in the pa-
rade and play in the afternoon at Ka-
piolani Park. A request will be made
of the Artillery Commandant at Camp
McKinley that two companies of artil-
lery be detailed to take part in the pa-
rade. Matthew Heffernan was chosen
grand marshal of the day. The fol-
lowing will be the route of the parade:

Form at Drill Shed, thence to Rich-
ards street, thence to King street,
thence to Fort street, thence to Bere-
tania street, thence to Kapiolani street,
thence to King street, thence to the
Capitol grounds and disband.

The total contributions to date to the
labor day fund amount to \$1725. The
sum of \$500 has been appropriated for
prizes in the athletic contests at Kapi-
olani Park of which the following is the
program and list of prizes:

\$4 for attendance at each meeting of
the committee, and he withdrew his
resignation on condition that members
refrain from unnecessary wrangling
and comport themselves like gentle-
men.

Five hundred posters have been printed
and distributed, 350 to the other is-
lands, 100 in Honolulu, and 50 among
members of the various committees.

Another meeting will be held Satur-
day evening.

Arrangements are practically com-
plete for a game of baseball between
the Honolulu Athletic Club and the
Stars, provided a trophy instead of a
